

**About Sherry's House...** The journey to build Sherry's House began in 1997 and became a community effort in January 2000 when the first All-Star Team participated in the Bermuda International Marathon. Since then our team has traveled to other exciting locales including Paris, Las Vegas, and Disney World. With nearly \$816,000 raised so far by our All Star Team members, we're closing in our One Million Dollar Goal! All funds raised go towards the direct operating costs of Sherry's House.

It is the organizational home of Why Me, a non-profit charitable organization that for more than 24 years has been providing love and support for families of children with cancer.

It's a beautiful, child-friendly place where Why Me Families can come to find the support they need to fight cancer...together.

It's a temporary residence where families from all over the United States can call "home" while their child is being treated for cancer at either a Worcester or Boston area hospital.

It houses Child and Family Activities and Events: social visits, celebrations, support groups, emotional counseling, mentoring, and survivorship programs. It is home to our volunteer programs, Cancer Research & Learning Center, and the Children's Learning Center.

It's the home of Ben's Activity Center and Comfort Suite which offers a Family Comfort Suite for families facing hospice care for their child and two separate activity play rooms, one for our teens and one for the little ones.
