Join us for a night of fundraising to help children with cancer and their families. Come on in and enjoy a fun dinner and firefighters at your service!

Why Me is a local organization that provides vital financial, emotional, and logistical support to hundreds of families who have a child with cancer. Sherry's House is Why Me's facility that serves as a home away from home for families to stay while their child is in active treatment.

Gratuities and 15% of sales from the evening will be donated to this great cause!
